

STATEMENT FROM GLASGOW GOLF UNION EXECUTIVE COMMITTEE REGARDING THE CORONAVIRUS

The Union has listened to and taken advice in respect of the ongoing worldwide situation regarding the Coronavirus and considering that we have been advised that where possible any large gatherings, visits for social activity, restriction on the use of public transport, restaurants, sports centres etc. should be avoided.

It has been decided that the forthcoming Seniors Championship due to be played at Gales Links on Wednesday 6th May has been cancelled. Refunds will be issued in the coming days

Other Union events and activities are currently under discussion and decisions on these will be made soon and will be based on the ongoing restrictions imposed which are changing on an almost daily basis.

We apologise for any inconvenience this may cause; however, it would be irresponsible for us to ignore WHO, Government, Scottish Government and Chief Medical Officer advice and that decisions have been taken to safeguard the health interests of all players, officials and spectators.
