

We promised to bring you information on our Regional Forums, which took place over two weeks in January.

We engaged with 222 representatives from 125 clubs, and 23 Areas and Counties. If you weren't able to attend, there will be more opportunities to meet the Senior Team in the coming weeks, as we prepare for our AGM in May.

In this email you will find:

- The slides from the Regional Forums, setting out Scottish Golf's plans for the next strategic cycle, and plans to consult the membership on how a proposed regional approach, women and girls work, and schools and community project might impact the affiliation fee
 - Information on how we are consulting the membership on the affiliation fee
 - WHS™ Roadshows in March to explain the changes coming in April
 - Information regarding our Board vacancies.

Affiliation consultation

Following the forums, Scottish Golf will now embark on a series of

discussions with golf clubs, Areas & Counties on a number of topics including what the future affiliation fee might look like, and our Articles of Association. These discussions will form the foundation for the proposals we will bring forward to the AGM in on 19 May 2024.

REGISTER FOR OUR MARCH ROADSHOW

Golf clubs and Areas & Counties are invited to register to attend one of our World Handicap System (WHS™) seminars that the team at Scottish Golf will be delivering during our March Roadshow.

The Handicapping team will lead this series of face-to-face and virtual seminars, presenting the key changes around WHS™ for 2024, and will be sharing top tips and advice on how your club can successfully manage these changes when they come into effect on 1 April.

Attendees will also be offered the opportunity to ask any questions so you feel confident and well-prepared ahead of the new golf season.
