### *KEY CHANGES TO WHS™ - NOW IN EFFECT*

As of today (1 April) the key changes to the World Handicap System™ (WHS™) are now in effect.

On Friday last week, you were sent an email communication from us with links to a range of useful printable and digital resources, including presentation slides from our recent March Forums, frequently asked questions about the changes to WHS™, our Player Guide and YouTube video overview.

All of this information is designed to help you and your golf club members to understand what has changed, so everyone can experience a smooth start to the golfing season.
